

SPRING DRIVING TOUR

Check your tires and grease your chassis, we are having a Classic Era only driving tour! *For this event you must drive a car from the Classic Era (not necessarily a Full Classic, but built during that time). If your car is not up for the tour, then call another member to ride along, just like we always did years ago.*

The Start / Finish line will be the Jensen's house. If you are coming from a distance and want to trailer your car to the start, we can accommodate trailers on our road for the day.

Coffee and treats will start at 8:30 and we will depart for our leisurely drive at 9:30.

We will take a back roads tour with a few stops heading southwest for a about 60 miles to lunch. After lunch we will tour back to the finish line.

More details to come in a flier with RSVP will be forthcoming. We look forward to see you and these great old cars on the road!
